About Us

Savoil Energy and PARTNERS are a resource for marketing, product development, sales programs and product sales for over 42 years.

Client include companies such as AT&T, American Express, Lucent Technologies, Hershey, Nestle, EcoPetrol, Clean Harbor, GFL Environmental.

A decade ago the partners branched out into crude and distillates as well as recycling used motor oil and other commodities.

We work with both sellers and buyers of energy products to provide solutions to sales and supply of commodities and logistics to our clients.

We work on a worldwide basis, with 24 refineries we can meet specific needs and present spot opportunities. Our products and services are guaranteed and backed up by our wide network and reach.
